HOME LANGUAGE SURVEY

Upon enrollment, every student or parent/guardian must be given a Home Language Survey according to state and federal regulations. This survey will be used to determine which students should be assessed for English proficiency and to determine eligibility under the Migrant Education Program. If a language other than English is indicated in any of questions 1-4, the student will be assessed to determine eligibility for English to Speakers of Other Languages (ESOL) services. Knowledge of, or exposure to another language does not, in and of itself, qualify a student for ESOL services. Please complete one form for each child.

Student Information:

Name		Grade
Address		Date of Birth
First Date of Attendance in a U.S. School	US Entry Date	Phone Number

Student Language Information:

1. What language did your child first learn to speak/use?

2. What language does your child speak/use at home? Do **not** include language learned in a class or through television or other such means.

Office Use Only

If any answer to questions 1-4 indicates a language other than English,

Migrant Education Program Information:

The Migrant Education Program (MEP) is authorized by Title I Part C of the Elementary and Secondary Education Act of 1965 (ESEA). The MEP provides formula grants to local education agencies to establish or improve education programs for children who may qualify for the Migrant Program. Please help us determine your child's eligibility for the Migrant Program by responding to the following questions.

If an answer to either question 6 or 7 below is "yes," please fax this form to the ELL office at 913-993-8679. The migrant office will contact the family.

Purpose and Intent of the Home Language Survey

"The home language survey questions attempt to inform the district of the possible impact on a child's English language development due to transfer, influence, or exposure to a language other than English. It is not at all assumed that a child who has a language other than English is less proficient in English as a result of knowing another language.

The questions are not intended to identify children who are learning a language other than English by watching educational media that teach languages, words, or phrases other than English. The questions are also not intended to identify children who are studying a world language for the purpose of becoming bilingual or more knowledgeable about languages other than English. Examples may include taking a Saturday German class, or taking Spanish as a graduation requirement in high school, or being instructed informally by someone in the home who wishes to encourage a child to learn another language."

SCHOOL DISTRICT

Skyward Family Access

The Shawnee Mission School District is pleased to announce the implementation of Family/Student Access by Skyward, Inc. Family/Student Access is a secure internet-based website that will allow you to easily keep track of nearly everything your student does while at school. Among other things, this new service will allow you to view your student's attendance, food service balance, and emergency information. Beginning later this year, elementary parents will be able to view assignments that have been given and the grades students have earned on each assignment. **Student grade cards will be available through Skyward rather than as printed forms.**

Family/Student Access is provided by the Shawnee Mission School District as a free service and will be available to all parents with children enrolled in the district. One login will allow you to access all of your students enrolled in any school building in the Shawnee Mission School District. In order for you to begin using Family/Student Access, you will need to register for a login and password. By signing and returning the attached form, you are authorizing the Shawnee Mission School District to provide you with your unique login and password. **You must return the form in person and present photo identification to verify your identity.** Login credentials will be emailed to you within one week of verifying your identity. If you have registered at another Shawnee Mission school with another child this year you do not need to register again at McAuliffe.

We need each family to register for Skyward and update the Emergency Contact information for your child. Currently the system does not contain any emergency contact information; therefore we have no instructions on who to contact in case the parents are unavailable in an emergency regarding your child.

We are very excited about how Family/Student Access will help you stay informed about your student's progress and hope that we can use this tool to create a stronger relationship between parents and our school community.

Tutorial information on utilization of the system can be found on the Skyward website.

If you have any questions or concerns, please contact the McAuliffe office at 913-993-3500.
